

DATABASE DIAGRAMS

Compiled by: H van Rooyen
January 2006

Studentnumber:_____ **Name:**_____

This booklet contains ERD Diagrams on 16 different databases that can be used for class exercises, class tests and semester test purposes.

You must bring this book to class and when you are writing tests.

Do not write inside the booklet. If any notes or comments are written inside the booklet, this booklet will be taken away from you during a test and you will have to complete the test without the database structures.

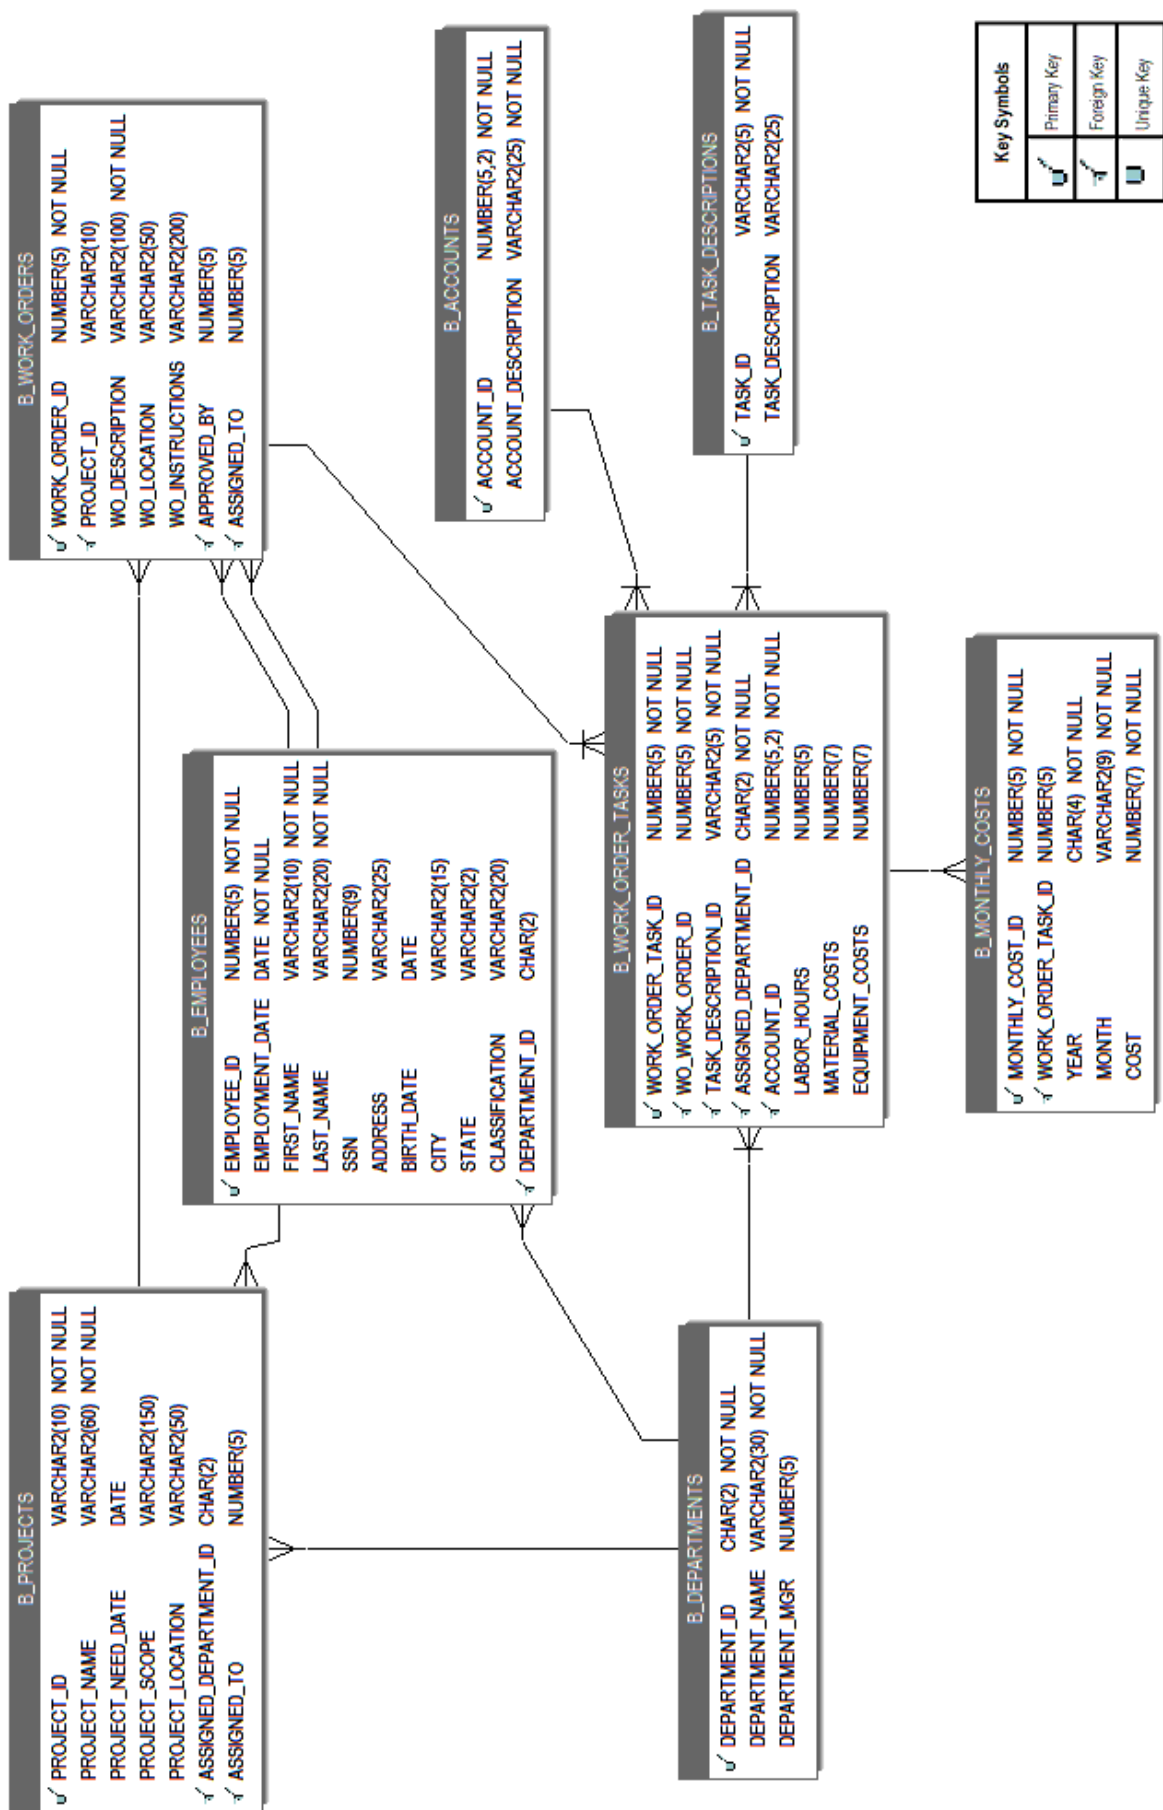

Database Index:

1. Budget.....	3
2. Clearwater.....	5
3. Kaleidoscope.....	7
4. Northwood.....	9
5. Software.....	11
